Continuation of Substance of Interview including description of the general nature of what was discussed: The Examiner called Mr. Gratton on September 22, 2005 to discuss recent restriction requirements and Applicants' response thereto. On reconsideration Mr. Gratton changed his election of Species 4 (Claims 72-75) and Subspecies 1 (Figures 1-3) with traverse to election of Species 4 (Claims 72-75) and Subspecies 1 (Figures 1-3) without traverse. Mr. Gratton withdrew any and all arguments that the species and subspecies are not patentably distinct.
